Elijah saw that the people in his community were doing wrong and he prayed that God would change their hearts and also did what he could to protest or go against wrong practices.

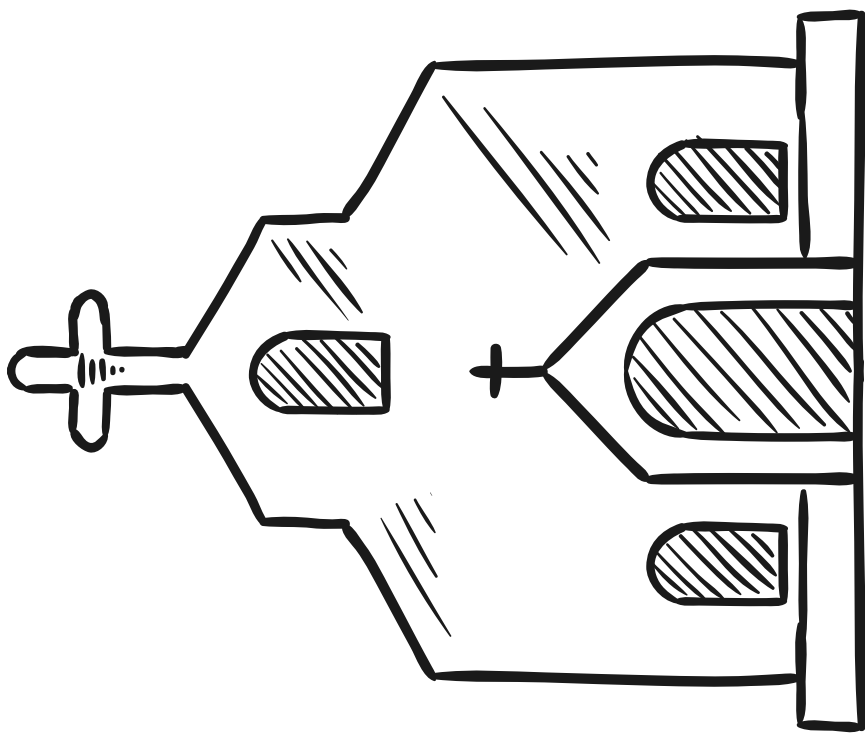

Vernon Johns

Before Rosa Parks, Mr. Johns once paid his bus fare and was told to sit on the back of the bus, but he refused to sit there and demanded they give him his money back.

Today, Pastor Byrd will preach about how Elijah was looked at as a troublemaker because he challenged people to worship God alone. In the 1950's Vernon Johns challenged his church, Dexter Avenue, and its community to stand up for what is right. We must also remember to speak up and stand up for what is right. 1 Kings 18:21
